# ABOUT US

---

GöçTürk Cosmetics, Industry and Trade Ltd. established in 2019 by gathering an experienced group to manufacture high-quality cosmetics from effective ingredients, through developing multi-effective formulations, without compromising on design or packaging.

Manufacturing a wide range of skin care, hair care and body care products, we are happy to also provide R&D service, private label and packaging supply for our partners along with owning brands like Fernian and Bold&Unique.

# WHAT WE DO

---

01

## **WE PRODUCE**

Taking advantage of having +500,000 production capacity, +1000 quality ingredients and hundreds of tested and stabilized formulations, we are happy to be your manufacturer partner.

02

## **WE PROCURE**

Collaborating with domestic and international packaging manufacturers beside having access to painting and print facilities, we are able to procure innovative and unique packagings.

03

## **WE EXPORT**

As the inseparable part of our job, we are able to provide all documentations, tests and certifications to export your products to your customers all over world directly from our factory.

# ADVANTAGES

---

01

## **R&D TEAM**

By having our own R&D team we are able to develop new formulations beside curating our formulations to fulfill all needs of your products' users.

02

## **EU ACCREDITED LAB**

We are able to provide all needed tests and certifications in english compilable to EU and GCC, including: Halal, Vegan, Paraben-free, etc.

03

## **PACKAGING SUPPLY**

Through having wide network of packaging manufacturer partners as well as print and painting facilities, we are able to provide packagings that suits best to your products range and your customers taste.

04

## **GMP & ISO CERTIFICATIONS**

Beside being approved to the Turkey health ministry, GöçTürk, keeps on serving as a GMP and ISO 9001 certificated company.

05

## **GRAPHIC DESIGN TEAM**

Our graphic design team, is here to bring trendy label designs and prints based on your company outlines. Furthermore we are able to provide a digital catalog of your produced products to make an ease for your marketing plans.
